### Peace at Last.

Washington, 27.—Senator Goddard, Chilean minister, has advised from his government via the Mexican legation, Paris, announcing the ratification of a treaty of peace between Chile and Peru. His advice states that General Iglesias, who signed the treaty on behalf of Peru, is acknowledged in the whole of North and Central Peru. The terms of the treaty include the cession to Chile for ten years of the provinces of Tarapaca and Arica-Yena, provisions being made that on the expiration of that term the question, to whom shall the ceded territory thereafter belong, shall be submitted to the popular vote of the people of the territory, the country to whom the territory is voted to pay the other \$10,000,000 before acquiring possession. Senator Goddard says northern and central Peru which has acknowledged Iglesias, constitutes five-sixths of the whole territory of Peru and includes the capital Lima, and the principal seaport Callao. He says also the treaty provides for the occupation by Chile of the ceded territory during the ten years covered by the terms of the cession, and in all probability the Chilean army occupies now in Lima will remain there till the Peruvian government is fully organized and order entirely restored. Senator Goddard states that the terms of the treaty were arranged by the Chilean plenipotentiary and General Iglesias' representative at Lima and forwarded to General Iglesias in northern Peru. Having been signed by him the treaty was returned to Lima and from there sent to Santiago de Chile, where it was ratified by the Chilean government, who on the 24th instant promulgated it.

### The Labor Troubles

Cincinnati, O., 27.—Last night shoe-making and shoe repairers came to an understanding and terminated the lockout which kept 2,500 workmen idle a fortnight. The workmen recede from their refusal to finish goods commenced by non-union men. All hands will resume work to-morrow, and leave the settlement of the difficulty to a committee of arbitration.

### A Crazy Statesman.

Chicago, 27.—At a late hour on Friday night a policeman discovered a man wandering among the railroad tracks. The man was evidently out of his mind, saying he was being pursued by head lights of locomotives, and that his enemies were trying to get him run over. He was taken in charge and it turned out that he is State Senator Thomas Fish, of Marshall County, Iowa.

### Protesting Blacks.

St. Louis, 27.—A dispatch from Muskogee, Indian Territory, says: Negroes in the Cherokee nation have drawn up a strong protest against the recent action of the Cherokee council in declaring that the large amount of money received from the government in payment for land shall be distributed only to Cherokees by blood. There are over 1,000 negroes in the nation who claim the same rights as Indians, who will sign the protest and then send it to the secretary of the interior.

### Rewarding the Traitors

Dublin, 28.—Farrell, one of the informers in the trial of the Phoenix Park murderers, received £1,000 from government, and Michael Kavanagh, the carman, another informer, £250. Both will quit the country. James Carey, the informer, and his brother Peter, will receive small sums for their services.
